
IMPORTANT INFORMATION FOR

DISPLACED FAMILIES with STUDENTS

Mississippi students displaced due to storms from March 24, 2023 are eligible under federal law (McKinney-Vento Homeless Assistance Act) to immediately enroll in the nearest school district. Parents and guardians DO NOT need to provide birth certificates, vaccination records and other documents.

Under the McKinney-Vento Homeless Assistance Act, children and youth displaced by natural disasters meet the definition of homeless and are, therefore, eligible for McKinney-Vento services.

Any family with a child in kindergarten through 12th grade that has been forced to move and live in temporary housing as a result of recent storms can contact the nearest school district to enroll their child.

**Review the Mississippi school
district directory online at: mdek12.org/dd.**
